

TRANSFER CHEMISTRY at SHASTA COLLEGE*

STUDENT

What are your interests?

Agriculture @ Shasta College
Vet Tech
Liberal arts
Non-science majors
I don't know

Nursing @ CSU or Shasta College
Agriculture @ CSU or Shasta College
Physical Therapy @ some CSU
Dental Hygiene

Science; Pre-med, dent, vet
Engineering
Agriculture @ UC
Environmental science/toxicology
Physical Therapy (many schools)

CHEM 10/11

offered F(d, 10-internet); S(d, 10-internet);
summer 10-internet

CHEM 2A

offered F(d,n); S(d,n); summer

CHEM 1A

offered F(d); S(d)

No prior chem or weak math

CHEM 16

offered F/S online, sometime face to face

What now?

CHEM 2B

Nursing @ CSU
Agriculture @ CSU
Physical Therapy @ some CSU
Dental Hygiene
offered F(n as hybrid); S(d,n as hybrid); summer

CHEM 1B

offered F(d); S(d)
Chemists; Chem engineers; Biochemists, Molecular biologists; Pre-med, dent, vet; Pharmacy; Most biologists, botanists, zoologists; Environmental science; Physics; Toxicology; Geology; Most physical therapy; Agriculture @ UC; Nursing @ UC; Engineering transfers to quarter systems

Any more?

CHEM 70 & 71

offered 70 – F(d); 71 – S(d)
Chemists of any type; Most life or environmental science and medical related fields; Certain engineering programs; Certain UC Agriculture programs

All chemistry courses meet the A.A. requirements in physical science for general education. Offerings F-fall, S-Spring, d-day, n-night, hybrid lecture is online.

* This sheet offers general advice. Please check the catalogue of the institution to which the student plans to transfer or contact any Cliff Gottlieb, chemistry instructor, cgottlieb@shastacollege.edu for further information. Solid arrows indicate preferred path. Dashed arrows indicate possible path but less preferred.
