

The items in the Clam Shell are provided by Shasta College. Please check to make sure you have all of these items ASAP. **Your clamshell also has an identification number on it.** You will need to put that on your Labs 7 and 12 reports so be sure to record it and keep it.

Shasta College Provides:

- 5 coffee filters, (Lab 1)
- 5 chromatography papers: 2 with 4 black dots, 1 with 4 blue dots, 1 with 4 green dots and 1 with 1 black dot (the unknown), (Lab 7)
- cold pack, (Lab 11)
- 9V battery, (Lab 3)
- one diaper, (Lab 9)
- Packets of dextrose , lactose, maltodextrin and maltose (Lab 10)
- Packets calcium chloride; calcium sulfate; calcium carbonate, and citric acid. (Lab 3, 5, 12)
- Vitamin C capsule, (Lab 6)
- polymer numbers 3 and 4, and 6. 6 is the clamshell (keep the clamshell!) (Lab 9)
- 3 starch and 3 polystyrene packing peanuts (Lab 9)
- Four unknown white solids in small zip lock bags with numbers on them (Lab 12)
- 4 Plastic droppers
-

You need to check the contents of the clamshell immediately and notify me if you are missing anything.
